

HELPING THE HELPERS

Monthly Design Thinking Sessions for Support Programmes Members

GROWING LEADERSHIP

How can you best understand yourself and others? What makes them tick and respond to your support?

INCREASED SUSTAINABILITY

Beyond financial resources, how do you maximize your time when supporting others?

SENSE OF CONNECTEDNESS

How do you mobilize, organize and sustain networks that serve your clients and yourself?

SENSE OF LEARNING

How do you manage and retain knowledge effectively?
How do you reinvest it into your professional life?

GROWTH OF CONFIDENCE

What makes you a great agent of change and how do you track your impact?

PRACTICALITIES

- Get 6 phone or in person sessions over 6 months
- Access new mentors and connections in the global social enterprise community
- Measure personal impact
- Reinvest learning in professional practice
